SUMMARY

I am Harshan J, a third-year integrated **M.Sc. Software Systems** student at PSG College of Technology, with a strong foundation in Python, C, Java, and full-stack web development. Passionate about building scalable and efficient software solutions, I have worked on innovative projects. My expertise spans data structures, database management, and machine learning, with hands-on experience in tools like React, Node.js, SQL.

EDUCATION

MSc Software Systems

PSG College of Technology

📅 2022 Present 📍 Coimbatore

GPA

7.26 / 10.0

XII (Higher secondary, State board)

Shri Vidhya Bharathi Matric. Hr. Sec School

📍 Namakkal

GPA

91.9 / 100

X (SSLC, State board)

SKV Matric. Hr. Sec School

📍 Namakkal

GPA

86.7 / 100

PROJECTS

Echo-Chat

🌐 <https://git hub.com/harshanj07/chatApplication>

Developed and deployed a real-time chat application using the MERN stack with Socket.io for instant messaging.

- JWT for authentication, React content for online status management and instant messaging
- Implemented a secure and scalable backend with Node.js and Express

Expense-Tracker

🌐 <https://github.com/harshanj07/ExpenseTracker>

A web-based application designed to assist users in tracking and managing their daily expenses.

Built with the MERN stack to create a scalable, responsive, and user-friendly application.

AI-Finance-app

🌐 <https://github.com/harshanj07/AI-Finance-app>

Full Stack AI Finance Platform with Next JS, Supabase, Tailwind, Prisma, Inngest, ArcJet.

- a scalable, responsive, and user-friendly application and provide detailed insights with help of AI for better financial management.

KEY ACHIEVEMENTS

Academic Excellence and Olympiad Participation

Led the cultural team coordinating and managing performances for various college events. Organized rehearsals, fostered teamwork, and contributed to successful on-stage presentations.

SKILLS

Languages

Python C++ Java SQL

JavaScript C

Frameworks

React.js Next.js Flask Node

Express.js Prisma

Databases

SQL MongoDB Neon DB Supabase

Platform

Windows Linux

Tools

Git Figma MATLAB

LANGUAGES

English

Proficient

Native

INTERESTS

Extracurricular Involvement

- Actively participated in the college **Coding Club**, enhancing technical skills, and contributed to **Dramatix**, a cultural team, showcasing teamwork and creativity.
- Keen interest in web development and **problem-solving**, explored through hands-on academic projects in Computer Science.
